| 12 pm – 2 pm        | Closed planning meeting for 2019<br>Arch Executive Committee   |

Attendees are encouraged to stay and spend time in the afternoon visiting the Arboretum grounds, which encompasses seven acres of gardens and plantings dedicated to demonstrating the best plant species for southeastern North Carolina landscapes, proper horticultural techniques, aesthetic design, environmental stewardship, and research. It is a dynamic place, constantly changing to meet the educational needs of residents and green industry professionals, and to provide cutting-edge leadership in plant selection and use for this region.
